Dr. Sonny Haro & Joel Haro  
Pain Management Consultants

When we decided to buy a new building and expand our practice, we knew that without an experienced banking partner, financing could be a painful process. What a relief it was to find Michael Doss at Independent Bank. The expansion went smoothly and Michael also set up a line of credit and deposit services to enhance our business operations.

If you're looking for an attentive, supportive and helpful banker, we recommend that you call Michael Doss at Independent Bank.
