

Independent Bank Helped Us Catch Our Breath.

Dominic DeKeraty, M.D.
& Esther Fields, D.O.
Georgetown Pulmonary
Associates

When starting a new practice, you find yourself trying to go in all directions at one time. When you finally come up for air, it's good to know you've got an experienced banker on your side. Chris Logue at Independent Bank provided the equipment and working capital loans to get us started.

Our business still gets hectic sometimes, but thanks to Chris and Independent Bank, we've got some breathing room.
