

Independent Bank Has A Head For Business And The Heart To Make Things Happen.

Dr. Jeff Michel
Heart Clinic of Austin

When I decided to open a practice of my own, Michael Doss at Independent Bank took care of all our financial needs without missing a beat. He financed our real estate purchase with competitive rates and terms and even set up a line of credit and deposit services to enhance our business operations.

Finding an experienced banker who understands business is good, but finding one like Michael Doss who also cares about my business is what makes an extraordinary banking relationship.
