

Below is a fraudulent email. It was not sent by the Federal Reserve. Do NOT click on any of the links.

Be aware that phishing emails frequently have attachments and/or links to Web pages that host malicious code and software. Do not open attachments or follow Web links in unsolicited emails from unknown parties or from parties with whom you do not normally communicate, or that appear to be known but are suspicious or otherwise unusual.

If you ever receive any similar e-mails or anything of a suspicious nature related to your Independent Bank accounts, please contact your local branch immediately.
