PAYMENT ORDER OF ITEMS

Payment Order of Items is the order in which we apply deposits and withdrawals to your account. When we transition from one business day to the next business day we post transactions to and from your account during our nightly processing.

- First, we posts deposits and credits
- Second, we process the ATM and Point of Sale Items according to the dollar amount with the smallest items processed first.
- Third, we process ACH debits according to the dollar amount with the smallest items processed first.
- Fourth, we process On-U.S. items and checks in numerical order.
- Fifth, we process checks and similar items in numerical order.
- Sixth, we process service charges.
