

YOUR LOCKBOX

To access your Lockbox via the Online Banking system, select **Treasury Services > Lockbox Deposit**.

OR

Access through an internal browser with the following URL:
https://www.ib.onlinetreasurysolutions.com/idp/esec_indbank/login.ht

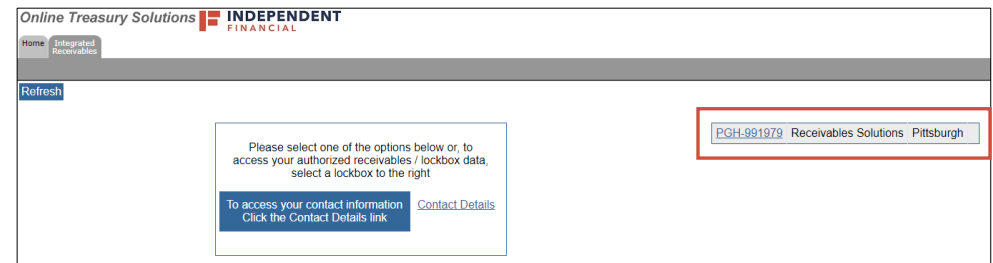

Once you are redirected to the lockbox portal, select the **Integrated Receivables** tab.

On the right side of the screen, your available lockbox(es) will be listed.

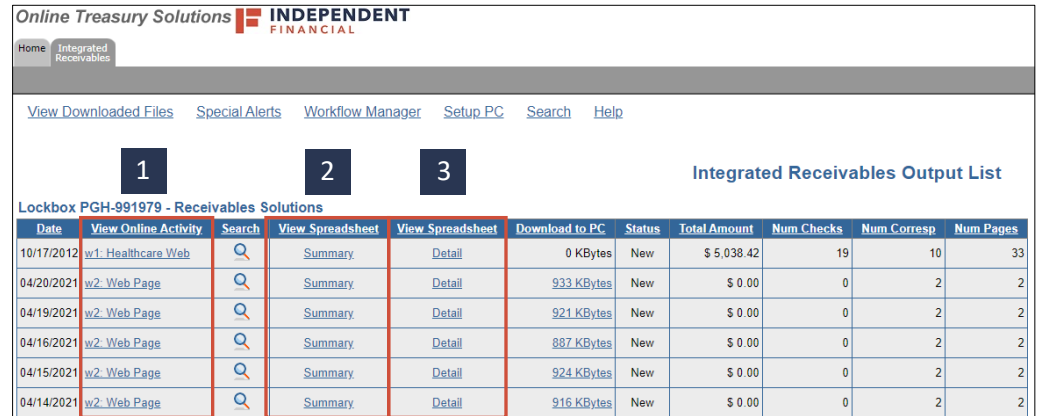

Select the link of the lockbox you wish to review.

The **Integrated Receivables Output List** is a dashboard view of the mail processed. Easily view the number of checks and their totals along with correspondence items received.

A row will be created for each deposit cut created. In most instances, boxes are set up to receive one deposit cut a day. If you selected more than one deposit cut, there will be a row for each deposit processed that day. If there is no activity for the day, there will not be a line item displayed.

1. **View Online Activity (Web Pages):** Select the web page link to access and view the images and information captured for each transaction.
2. **View Spreadsheet (Summary):** Download a CSV file displaying transaction information of the activity processed for the day.
3. **View Spreadsheet (Detail):** Download a CSV file similar to the **Summary** spreadsheet but include data capture details if service is requested.

WEB PAGES

Items are grouped into checks and correspondence-only batches. A dashboard view displays the number of transactions and their total amounts processed.

1. Select the **hyperlinked Batch Numbers** (example: 100-101) in the **Batch Index** box to view the list of items processed.

Note: Boxes set up with grouping or batching rules will be reflected in this screen to easily identify work processed based on these business rules.

2. The menu bar at the top allows for easy navigation back to the **Output List** screen and/or to view and download the **Summary** or **Detail** spreadsheets.
