Independent Bank Opens New Location

Georgetown, Texas...December 21, 2009—Independent Bank Group recently celebrated the grand opening of its newest branch in Georgetown with an after-hours reception as well as a ribbon cutting ceremony facilitated by the Georgetown Chamber of Commerce. More than 200 local residents, business owners and dignitaries attended the event, enjoying hors d'oeuvres by local caterer Tastefully Yours, musical entertainment by the Georgetown High School orchestra, a visit by “Spike,” the Round Rock Express mascot and prizes, including gift certificates to Wildfire and Silver & Stone Restaurants located in Historic Downtown Georgetown.

This new 5,800 square foot facility is located on the Northwest corner of Rivery Boulevard and Wolf Ranch Road (near the City Lights Theatre and Wal-Mart) in Georgetown and features a community room available free of charge to local non-profits and the general public for meetings and events. This full-service banking office, designed by Jim Wilson Architects and built by Scott Johnston at Westport Group, Inc., boasts a beautiful coursed limestone exterior, highlighted by a day-lighting translucent canopy perched above the building’s parapet roof.

Chris Logue, sixteen year local resident, recognized civic leader and President of the new Georgetown branch, is excited to lead Independent Bank in this growing and dynamic community. “It was an honor that so many friends and neighbors would take
